

2022

Skeleton Programme

All timings are approximate

This Festival may run early as well as late. Every effort has been made to ensure the timing of each class in the programme is as accurate as possible. Inevitably, times will ebb and flow during the day for all sorts of reasons as competitors withdraw, re-dance, entered the wrong class, wardrobe malfunction or a problem with their music. We recommend you arrive at least one hour earlier than the section is due to start and be prepared to go on stage thirty minutes before the section is scheduled to begin. We cannot take responsibility for a member of the audience missing a class.
